CR 05-44 (SLR)

Dear SUE Robinson,

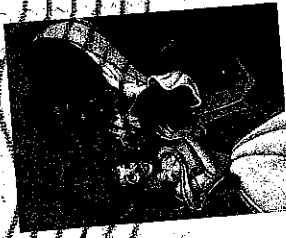

My name is Kimberly Barnett
On November 3, 2005, you sentenced me to 15 months
incarceration. 9 months of that sentence was to
run concurrent with my state sentence. The
remainder is to be served in Federal Prison. As
of August 3, 2006 Both my level 5 state sentence
and the 9 month federal sentence have ~~been~~
been full filled. I still have a level 4 crest
sentence to be served for the state. But I
cannot start my level 4 time until my
federal sentence has been done. My question to you
is my time still counting even though I am
still in state custody. Will I still be eligible
for federal good time, and will I be able to
any additional time taken off since I am going
to level 4 crest-work release. I plan on going
to transitional housing once I am released from
there. I must say that being incarcerated for
the past 18 months has given me a lot of time
to re-think about what is most important
to me, and that is me and my children.
I have utilized every day in here positively,
and I ~~now~~ now have goals and dreams.

Thank-You, Kimberly A. Barnett
